Rich,

Can you get Doug a copy of the RI with the sampling data?

Hi Michael. I have a colleague who has requested to meet with me on Monday about the USS Lead site and has expressed interest in seeing a detailed summary of the site data. I saw on the EPA's web site that the Final FS report is posted there, but didn't see the RI report. Do you know where I could point someone who wanted to see an electronic version of the final RI report? Thanks.

Doug
